Aust. Adventure Activity Standards (cont.)

Implementation

- QORF and other State peak body organisation will provide implementation workshops later in 2019
- Organisations should review policies and procedures informed by Aust AAS/GPGs
- State peak bodies will work with stakeholders, including land managers, to confirm roll-out
- Outdoor Council of Australia will be the ultimate holder of the Aust AAS/GPGs

Australian Camps Association - Not to be distributed without permission

National Outdoor Leaders Registration Scheme

- National benchmark of individual currency in outdoor adventure activity leadership skills
- Scheme review: online survey to obtain feedback on NOLRS from individuals and employers

Australian Camps Association - Not for distribution without permission

Health and Wellbeing Queensland

- Health Promotion agency created by Qld government in 2019
- Independent statutory body, working in partnership with organisations across sectors to support Queenslanders with eating better, becoming more active, and creating healthier environments to live, work and play.
- How do we feature in solutions around community health?
