HALLS OUTDOOR EDUCATION

Inspiring change through outdoor experiences

Become an Outdoor Educator

Certificate IV in Outdoor Leadership Traineeship with Halls Outdoor Education

Turn your passion for the outdoors into a career.

Earn while you learn

Launch your career in outdoor education by learning from experienced educators while completing a nationally recognised qualification through a two-year traineeship.

What you'll experience

- Experience multi-day outdoor programs and adventure activities
- Learn to lead and facilitate groups with confidence
- Develop practical skills in outdoor safety and risk management

You'll receive

- Paid employment while completing your traineeship*
- On-the-job mentoring
- Nationally recognised Certificate IV qualification
- Real industry experience
- Ongoing professional development
- Opportunities for future employment

We're looking for people who are

- Passionate about the outdoors and adventure
- Positive team players with strong communication skills
- Eager to learn, grow and develop

Minimum requirements

- Current Working with Children Check (or willing to obtain)
- Driver's Licence (desirable)
- A love of working outdoors with young people
